Orient Service Reduced Frequency of Oakland Calls

Due to the current challenging market situation impacting port activities and generating congestion across supply chains, MSC has decided to change the frequency of calls in Oakland for its Orient service from weekly to fortnightly, starting from week 28 in Asia so as to enhance schedule reliability.

The first omission of Oakland for the Orient service will be for CAP SAN JUAN, voyage 128N, ETA Oakland, 7 August 2021, which rotates as follows: Qingdao – Shanghai – Ningbo – Busan – Long Beach.
