# PCS in Mersin, Turkey

PRICE AND SURCHARGE UPDATES

We inform our customers that we are experiencing important delays in **Mersin, Turkey** between congestion/waiting time plus berth time on the current vessels berthing sequences with following impacts:

- laden cargo lead-time is being increased
- empty equipment re-loading / repositioning frequency is affected
- operating costs are increased

In this respect, please be informed that CMA CGM will be implementing a Port Congestion Surcharge (PCS) in Mersin as follows:

- **From:** Mersin, Turkey
- **To:** West Med, East Med, Adriatic, Black Sea, North Africa, Morocco & Portugal
- **To:** West Coast South America, East Coast South America, East Coast Central America & Caribbean, West Coast Central America & Mexico West Coast, Windward, Guyana North Brazil
- **To:** Middle East Gulf, Red Sea, North East Asia, South East Asia, China, Hong Kong SAR
- **Cargo:** Dry
- **Applicable from** March 27th, 2023, loading date (April 25th, 2023 for Puerto Rico)
- **Amount:** USD 100 per TEU

Any revision in the quantum of this surcharge related to the evolution of the local situation will be communicated with a 7-day notice. CMA CGM network remains at your disposal to attend your requests and to clarify any possible doubt.
