When a reefer container set-point is requested to be changed after the booking has been released, it requires several important steps for this process to be fulfilled.

This includes as example, but not limited to:

- Manual/Physical change of the set-point on the reefer machinery
- Change of documentation
- Follow up with terminal, depot or vessel carrying the reefer
- Confirmation to the Customer that set-point has been changed as requested

The Surcharge is effective from May 1st, 2023**.

Charge Name : Set-Point Change Charge*

Charge in USD : 100,00 per Reefer Container

Please feel free to reach out to your local Maersk office and/or sales teams for more information.

We would like to take this opportunity to thank you for doing business with us – we look forward to continuously serving your global transportation needs.

(*) Surcharge code will be presented as SCC.

(**) For FMC, the surcharge will be applicable from June 1st, 2023 – For Vietnam the surcharge will be applicable from May 15th, 2023.
