Schedule Updates Trade Asia to West Coast US and Canada

Due to the current challenging market situation impacting port activities, generating congestion and schedule delays across the supply chain, MSC is planning to adjust the sailing programme on its Transpacific West Coast US & Canada network to match the actual departure dates from Asia.

As such, we will revise the voyage numbers on the below services to provide better schedule reliability.

Below are the adjustment details:

ASIA TO WEST COAST US AND CANADA					
SERVICE	VESSEL NAME	CURRENT VOYAGE NUMBER	NEW VOYAGE NUMBER	POL	NEW ETA
ORIENT	CAP SAN VINCENT	123N	126N	QINGDAO	28/06/2021
MAPLE	NORTHERN JULIE	UM124N	UM125N	NANSHA	25/06/2021

However, you may continue to place bookings with limited disruption as we are arranging a contingency plan with alternatives services.

Should you have any questions, please [contact your local MSC representatives](#) in our global network of more than 500 offices.
