New Schedule Updates on Trade Asia to North America

Following our previous communications about the ongoing congestion issue affecting departure dates from Asia, MSC continues to adjust its sailing programme.

As such, we will revise the voyage numbers on the below services to provide better schedule reliability. Please note that dates are subject to change.

On the Maple service, voyage 130N will be covered by the vessel GSL ELENI. And on Empire service, GUTHORM MAERSK will operate voyage 132E, and MAERSK YUKON voyage 133E.
