New terminal handling charge to/from Togo and Benin

MSC is compelled to introduce a new charge for all import and export cargo to the port of Lomé, Togo and Cotonou, Benin. The charge, which can be paid on a collect, prepaid or elsewhere basis, will be charged to our customers at cost. Historically, MSC has absorbed the terminal handling charges at these ports, however, the deterioration in ocean freight levels means this cost must be recovered.

The following charges will be applied to all cargo ‘shipped on board’ on or after 15th August 2016.
