Share

We would like to remind you that the fumigation of wood-logs via the West Ports of Rotterdam or Antwerp can be performed at the agreed price when the outside temperature is above 10 Degrees Celsius.

During winter:

- When the outside temperature is between 5 and 10 Degrees Celsius a surcharge of 30 EUR per unit applies.
- If the temperature is lower than 5 degrees, it is not allowed to fumigate wood-logs.

For further information please contact your local Maersk office.
