# PCS in Iskenderun, Turkey from & to North Europe

PRICE AND SURCHARGE UPDATES

We inform our customers that the operational situation in **Iskenderun, Turkey** is not improving with no positive perspective in the coming weeks, and we are experiencing huge delays in this port between congestion/waiting time plus berth time on the current vessels berthing sequences with following impacts:

- laden cargo lead-time is being increased
- empty equipment re-loading / repositioning frequency is affected
- operating costs are drastically increased

In this respect, please be informed that CMA CGM will implement a **Port Congestion Surcharge (PCS) in Iskenderun** as follows:

- **Perimeter:** all cargo from/to North Europe, Scandinavia, Poland & Baltic to/from Iskenderun
- **Cargo:** Dry, Hazardous, Reefer
- **Applicable from** August 29th, 2023 (loading date)
- **Amount:** EUR 100 per TEU
- **Settlement:** as per freight

Any revision in the quantum of this surcharge related to the evolution of the local situation will be communicated with a 7-day notice. CMA CGM network remains at your disposal to attend your requests and to clarify any possible doubt.
