Fake Notice on Global Booking Stoppage

MSC Mediterranean Shipping Company is aware of a fake notice circulating in the market which erroneously states that we are not taking any bookings for cargo transportation. MSC wishes to reassure customers that we are open for business and that there is no worldwide stoppage of bookings.

Separately, due to the Suez Canal blockage, we may envisage some missed sailings and adapt the volume of bookings we can accept, according to the reduced capacity available. However, this would only be done on a case by case basis, where necessary, on certain trades.

Customers may contact local MSC representatives in our network over more than 500 offices with any questions.
