We have experienced increasing costs to keep up with higher quality container demands.

In order to keep providing you with our global services, Maersk is increasing the Premium Quality Container (PQC) for ALL below containers from Australia & New Zealand to the World effective 01st September 2021.

The revised tariff amount is detailed as follow

Surcharge code	Origin	Destination	Currency	All Dry Containers
PQC	Australia	World	USD	200
PQC	New Zealand	World	USD	200

Surcharge is applicable upon the customer's request for the use of a specific quality of container including, but not limited to, food grade, and dairy grade containers. The fee will appear on the freight invoice.

We appreciate your business and look forward to continuing working with you in the future.
