- Booking Cancellation Fee tariff will be USD 200 per container for DRY any REEFER cargo.
- Booking Cancellation Fee will apply for all bookings cancelled 7 calendar days or less prior to Estimated Time of Departure (ETD included).
- Booking Cancellation Fee will apply for cancellation requests on or after 15th of March 2020.
- Booking Cancellation Fee will be applicable for all contracts.
- Reducing number of containers in a booking will be treated as booking cancellation and charged the same way. The fee will apply for any container reduction, as well as for No Show.
- Booking Cancellation Fee will be invoiced to the Booking Creation Party.
- All booking amendments, cancellation or postponement to the vessel later than the first available sailing will be subject to Booking Cancellation Fee.
- Booking Cancellation will only apply if cancellation is initiated by the customer. If the cancellation was initiated by carrier, the charge is not applicable.

Enhanced booking reliability will assist to efficiently allocate space and equipment to guarantee our customers’ needs and requirements.
