At Maersk Belgium we want our customers to benefit from our digitalization. By submitting your B/L amendments digitally, in most cases you will receive your B/L (Bill of Lading) immediately without the effort of sending an e-mail.

We would like to inform you that effective 3rd of April 2023, any B/L amendment request not submitted digitally (i.e via Maersk.com, EDI or Intrtra) will incur an Amendment Fee of 50 EUR.

Our E-B/L amendment solutions gives you the ability to make amendments yourself. Any amendments you can't do digitally (i.e via Maersk.com, EDI or Intrtra), due to system limitation, will be free of charge.

You can find the one pager on how to do it [here](#) and FAQ of B/L amendment fee [here](#).

In case you have any questions, do feel free to reach out to your customer experience partners.
