Tariff Review - Multinota to be revised in Argentina

28 October 2022

Latin America Argentina Share ∞

At Maersk, your needs always come first, and we are continuously simplifying the way you do business with us.

Effective November 15th, 2022, for Non-Regulated Countries and November 26th, 2022, for Regulated Countries, Maersk will update the values charged for Multinota* requests for import and export shipments in/out Argentina.

The new rates are.

Surcharge Code	Surcharge Name	Scope	Container type	New Tariff	Rate Basis
FIO	3rd Party Fine Export	Argentina to World	all	450 USD (final cost)	per B/L
FID	3rd Party Fine Import	World to Argentina	all	450 USD (final cost)	per B/L

*Multinota is a mandatory document presented at Customs once an export / import amendment is required when manifest is already closed.

If you have questions, feel free to contact your local sales or customer experience representative. They will be happy to assist you.

We thank you for your business and look forward to continuously serving your global transportation needs.
