HEC (Garment on Hangers) – Scope – Philippines to World

28 January 2020

Philippines Asia Pacific

Share ⋄

Maersk is continuously striving to offer a best in class service to its customers, providing you a high reliability and quality product when shipping your cargo with us.

In an effort to offer our customers an overall transparent, consistent and easy shipping experience, and be aligned with the market, Maersk is revising the surcharge for garment on hangers (HEC) for export from Philippines, effective from 1st March 2020.

Below you will find the details changes this HEC tariff:

Surcharge Code	Origin	Destination	Currency	Amount	Remark
HEC	Philippines	World	USD	600/1200/1200 per 20'/40'/40'HC	Applicable for standard GOH with up to 11/22 bars per 20'/40'

And on top of the HEC tariff for standard GOH, additional surcharge will be applicable when GOH instalment requires additional bars beyond the standard 11/22 bars per 20'/40'.

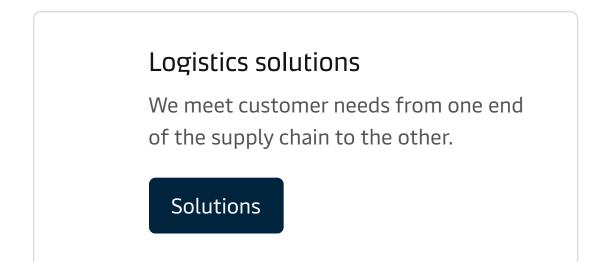

The additional surcharge is detailed as follow:

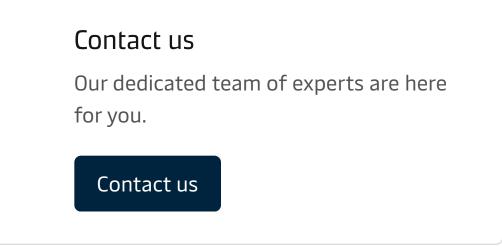

Surcharge code: ASE (Additional Export Service)
Tariff amount: USD 55/additional bar per container.

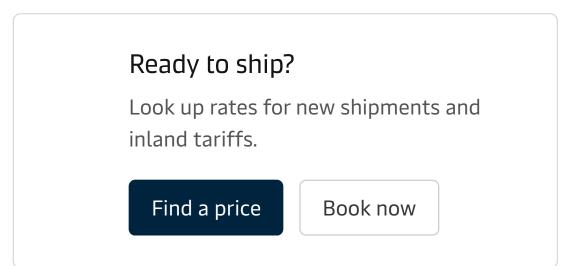

We want to thank you for your business and look forward to continuously serving your global transportation needs.
