UK Export Port charges effective 1st of January 2025

30 December 2024

United Kingdom Share ≪ Europe

A number of the UK ports have recently implemented new charges per container effective of January 1st 2025 which are passed onto our customers when we are providing customs clearances services.

For other port charges which are applicable but did not increase as of the start of the year can be found at the Maersk Customs Services in United Kingdom page, under the section FAQ's 'what pass through costs will I receive for my containerised exports. Via the below web page.

www.maersk.com/local-information/europe/united-kingdom/local-solutions/customs-services

Please find below a schedule of these new charges, per container, which are invoiced out accordingly and will be backdated where applicable.
