New container protection for all ocean imports of the following commodities into Denmark, Norway, Sweden, Estonia, Faroe Islands, Iceland, Latvia & Lithuania

28 April 2023

At Maersk, your needs always come first. That's why we are continuously trying to simplify the way you do business with us. Container damages can happen at any stage of your supply chain, so we are applying Container Protect to your import shipments to ensure you will not be liable for any cleaning or container damage (within the coverage limit) and will be protected against financial losses.

As of 1st March 2024, Container Protect Essential will come into effect and is offered to all shipments imported into Denmark, Norway, Sweden, Estonia, Faroe Islands, Iceland, Latvia & Lithuania as part of the import standard offering for all commodities.
