# Inland Surcharge Review – Northeast Asia Area

28 July 2023

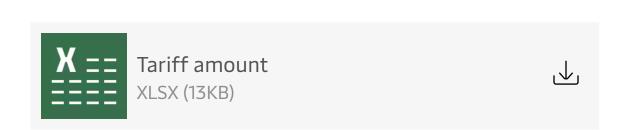

Asia Pacific

Maersk constantly strives to provide more reliable and innovative products. We offer the broadest coverage and

To continue offering our broad portfolio of services and high level of reliability, we are revising Northeast Asia Area – Inland Surcharge review - All Containers with Effective 20th August 2023 for Regulated Countries and 1st August 2023 for Non-Regulated Countries.

The revised tariff amount is detailed as follow: -

competitive transit times at an unmatched reliability.

For your reference, you can also use our inland price look-up feature to find inland rates & its related mandatory surcharges online via maersk.com <u>maersk.com</u> that are already included in your existing contract or look up our tariff rates.

We appreciate your business and look forward to continuing working with you in the future.
